Appointments available in Ojai California, Los Angeles, Casablanca, Marrakesh, Dubai, Abu Dhabi, Rishikesh and worldwide by Skype.

Is my health-care practice right for you? It definitely is if:

- **You have a health condition that you want to resolve naturally.** This could include acute or chronic digestive complaints, irregular elimination, allergies, asthma, acid reflux, anxiety, insomnia, food cravings, a yeast infection, joint or muscle pain, headaches, PMS, menopause symptoms, excess weight and more. You're looking for an alternative to pharmaceuticals and surgery.
- **You have a chronic health condition that has not improved.** You have already tried many natural approaches and have made changes to your diet without complete success. You feel you need a thorough assessment of your condition and more professional treatments by an experienced practitioner.
- **You are suffering from a complex range of symptoms that conventional medicine does not have an answer for.** You've tried the conventional medical and a nutritional approach without success. Your doctor may not even believe anything is wrong with you. You are seeking answers and a new approach which will provide you with safe and effective ways to restore your health.
